HARVEST CARE CENTRE SCHOOL-BASED PROGRAMME

ABOUT US

Harvest Care Centre is a non-profit organization officially registered with the Registry of Societies since 18 March 2005. In facing the growing needs of student, families and the elderly in our society, we want to play our part in actively reaching out them. Therefore, we dedicate ourselves to transforming communities by meeting the needs of individuals and the families of all races and religions.

OUR MISSION

We dedicate ourselves to transforming communities by meeting the needs of individuals and families of all races and religions.

OBJECTIVES OF SCHOOL-BASED PROGRAMMES

At Harvest Care Centre, we believe that every youth is precious. We want to see youths:

- Lead a meaningful life
- Develop character and leadership
- Be bold and courageous
- Think out of the box

Empowering students in schools through our school programmes

Empowering youths to impact overseas communities

LEADERSHIP WORKSHOP

Student Leadership Challenge
5 Levels of Leadership
7 Habits of Highly Effective Teens

Based on leadership frameworks such as the Student Leadership Challenge, our leadership training programme focuses on empowering students to be effective leaders. All these are done through various experiential activities and by bringing students through challenging situations.

ENRICHMENT PROGRAMME

Our enrichment programme emphasizes on problem-solving and critical-thinking skills, and brings about effective and efficient learning in the students.

ACADEMIC RESILIENCE

Through an activity-based approach with enjoyable groupwork, students learn skills such as organisation, time management, effective communication, examination strategies and managing personal emotions in a fun and practical way.

AFTER-SCHOOL ENGAGEMENT

Students develop motivation to learn and skills in terms of communicating and relating with others in a team through various activities.

DISCOVER HIDDEN POTENTIAL

Students have opportunities to discover and nurture their gifting/talents through hands on activities e.g. Cajon, Dance, Balloon Sculpting, Design

SPORTS CLINIC/ CO- CURRICULAR TRAINING

W.A.D Star (Sports Clinic)

Designed for the purpose of character building, students through sports are engaged to develop a healthy sense of self-confidence, and challenged to break out of their perceived limitations.

Basketball

Soccer

Badminton

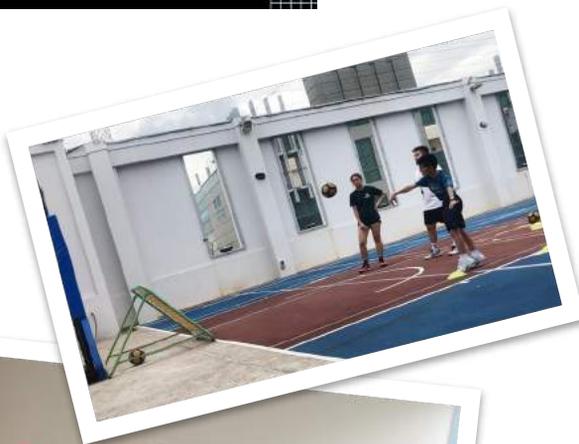

Tchoukball

Pool

Co-Curricular Training

Developing teams and technical abilities in sports; the sports training helps students to improve in their sporting abilities and experience opportunities to take up new sports such as basketball and tchoukball.

VOLUNTEERING WITH US

An important aspect of developing our students, this programme enables students to be exposed to working with the community. By understanding the needs of the under-privileged, students learn to empathize and serve others with their heart. Volunteer training is provided to empower the students.

OVERSEAS SERVICE LEARNING

Going beyond the comfort of Singapore, students are exposed to various situations to learn and contribute back to society, by giving to the less fortunate.
